

ANIMAL COMMUNICATION WORKSHOP

SATURDAY, AUGUST 17, 2013

One-day Animal Communication Workshop

Learn how to effectively communicate with animals by understanding how they communicate amongst themselves. Practical exercises and unique communication tools will help you build your confidence and skills. Animal Communication is not just for "gifted" individuals, it is a learned skill that is available to everyone interested in listening to what their animal has to say.

To register, email info@relationshipriding.com or call 403.932.1241
